### FAQ's

Do I have to register all the children before every event?

No. All names and schools are collected from the Recording sheets. See below under 'What happens at the finish'.

Is it free to compete?

We have to make a charge to go some way to covering our costs. We charge £15 for a year group/gender team from a school. This covers any number of runners for all the matches.

For individual entries we charge £1 per race.

Please ensure that payments are made at the first event where possible.

What constitutes a Team?

Any number of children in the same school can be entered as a gender/year group team.

In the results each consecutive group of 3 finishers from a school will be recorded as a Team. The actual runners in each team can vary from race to race.

Can the School pay by BACS?

Yes. Please ask at the registration desk for an Invoice and bank details.

Can new children come along after the first event?

Yes. They just do the race and their names will be collected from the Recording sheets but please ensure that children who will not be running as part of a team are paid for.

What happens at the finish?

Each finisher is given a finish position token (a numbered lollipop stick)

A list of the children and their finish positions needs to be handed in at the Registration Desk. A printed form is available. Please hand the tokens back.

The first 10 children in each race will get a Certificate of Achievement on the day.

Are there overall awards?

At the end of the season all children who compete in 5 or 6 of the races will receive Endeavour medals.

The first 3 children and school teams overall receive awards.

Certificates are awarded to the top 10 children overall.

### NOTE

We may have a new system for recording the names, schools and finish positions in use for the start of the League in September but it still being developed currently. Information will be circulated before the first event.

Schools Cross Country Course

Yrs 3/4 1 Lap approx 1500m  
Yrs 5/6 2 Laps approx 2500m
